First Choral Concert To Be Given Tuesday

Vocal groups of Hartnell College will make their first public appearance of the year when they present a vocal concert in the Washington Junior High School auditorium at 8 p.m. next Tuesday evening.

The groups in the concert will be the Hartnell College men's glee club, women's glee club, and mixed choir, all under the direction of Miss Vivian Stewart. Soloists will be Shirley Bequette and Donald Schrupp.

Opening the program will be the entire choir which will sing the following selections: "Let Their Celestial Concerts All Unite," Handel; and "Ballad of Brotherhood," Wagner.

Next will be the men's glee club singing, "Brothers, Sing On," Grieg; "Batten Down the Hatches," Bronson; and "Clancy Lowered the Boom," Wilson-Lange.

The women's glee club will then present, "Rain Has Fallen All the Day," Smith; "Who's That Tapping at My Door," James; and "Down by the Station," Ricks-Gailard.

Concluding the first half of the program will be the entire choir singing, "Shango," Ovalle; and "There's a Whistle in the Thistle," Wilson.

After the intermission an ex-

cerpt from the coming operetta, "The Hither and Thither of Danny Dither," to be presented by the Hartnell College music department, January 5 and 6, will be given. Miss Bequette, a soprano, will sing "Cara Nome," from Verdi's "Rigoletto," and "Italian Street Song," by Herbert. Mr. Schrupp, a baritone, will sing "Ombra Mai," by Handel, and "Song of the Open Road," by Malotte.

The choir will conclude the program singing the following numbers: "Jingle Bells," Charles; "Christmas Is Coming," Christie; and "Carol for Everyman," Parrish.

Player Awards Approved by Commission

Awards to be given to 22 members of the Panther football squad were approved this week by the student commission.

Players will receive either jackets or sweaters with blocks, or may receive a blanket by paying the difference in price. Awards are given on a point basis.

Those to receive awards include Bob Burton, Ken Dias, Louie Folletta, Bill Key, Bill Maguire, Fred Manteufel, Pete Marinovich.

Jim Murphy, James Miyasato, Ernest Piini, Francis Rianda, Gary Robinson, Bob Swan, Doug Severin, Wally Wong, Bill Walker, Bob Roebuck, Joe Oliveira, Bill Cooke, Ed Dysle, Charles Jackson, Bill Whited, Homer Smith and Frank Paz.

All players who finished the season received a block "H."

Winter Ball At Surf Room December 19

The Winter Ball, climax of Hartnell's fall social season, will be Monday night, December 19, at the Surf Room of the Beach Club at Pebble Beach.

Bids for the affair will go on sale Monday, Wayne Ingols, commissioner of social activities, announced today. Bids will be \$6.75.

Don Dean's eight-piece orchestra will play for dancers from 9 to 1, Ingols said.

Buffet service will be available from 9 to 11 in the lounge, terrace, and adjoining promenade. This is the first time, Ingols believes, that a buffet supper has been served. This is expected to eliminate the confusion of serving those who arrive late. The buffet menu will include roast turkey, ham, tongue, cold meats, relishes, hors d'oeuvres, canapés, hot biscuits, rolls, and coffee service.

The Surf Room, opened this summer, is at the Beach Club at Pebble Beach, on the 17-Mile Drive. It opens onto a terrace on one side, and swimming pool on the other.

Bids will be sold in front of the main office, according to Ingols.

NCJC Meet Today In Santa Rosa

Representatives of the schools of the N.C.J.C. conference are meeting today on the campus of Santa Rosa Junior College. The meeting has been called to plan the 1950 conference football schedule. Attending from Hartnell are President John Lemos, Athletic Director Ed Adams, and Men's Representative Bruce McCallum.

Also on the agenda are the applications of five schools for admission to the conference. These schools along with Hartnell and M.P.C. would form the southern division of the conference if they are admitted. The vote is to be taken sometime today. The five schools are College of the Sequoias, Fresno, Taft, Reedley, and Lassen. The latter would join the Northern Division.

Last Day For La Reata Pictures

Today is the last day to make appointments for La Reata sophomore pictures, Editor Camille Johnson announces.

Appointments may be made by calling Mr. Hurl Swartz at 7214. Arrangements should be made to

have pictures taken over this week end, as the sophomore section of the yearbook must be sent to the printer next week.

Sophomores who have already had their pictures taken are asked to return their proofs to Mr. Swartz.

These are members of the women's glee who will participate in the choral concert next Tuesday night at the Washington Junior High School. Top row: Betty Parks, Liz Anderson, Shirley Bequette, Rosemary Geisel, Jacquie Gaudin, Carla Adams, Gayle Shirle, Joan Koenig, Anita Turpin, Pat Nagle. Middle row: Lois Trembly, Kay Kimball, Henrietta McKeague, Arlene Hevrin, Betty Johnson, Laurel Hildebrand, Joyce Paxton, Sharon Hadley. Bottom row: Betty Westphal, Joyce Rippey, Norma Brown, Alice Page, Frances Johnston, Pat Pollock, Joanne Gray, Pat Segobia.

JC Symphony to Appear Tomorrow In Berkeley

Northern California Junior college history will be made at Berkeley tomorrow when the first appearance of the newly-organized symphony orchestra of the group will be given. This group, under the direction of Mr. Lorell McCann of Hartnell, is composed of musicians from 12 junior colleges in the area.

This group was organized in order to give the music directors an opportunity to get together more often and also to help foster music in the junior colleges.

Students from Hartnell who will participate in the symphony include: Beverly Carlson, Illene Wolf, Margery Rains, and Karen Habert, violins; Violet Ichakawa, viola; Marilee Hubbard and Carolyn McQuillen, cellos; Larry Dimmick, bass; Nancy Munter, flute; William Horsely, clarinet; Markaret Lowry, French horn; Marion Walters, Jr., Don Camp, trumpets; Carl Bartlebaugh, trombone; Laverne Seeman, percussion.

CAMPUSOLOGY

By BOB WHITE

Robin Lowry, a girl who enters a lot of activities and does a lot of things went too far a while back when she got her name on the men's physical exam list. At the top of this list was a warning that went something like this: All students who do not have their physical examinations today will not be admitted to class. Can you imagine the doctor's surprise had she gone?

Someone's face is going to be red when they read this (whoever made up the men's physical exam list). But it will not be redder than Robin's when she found her name on the notice.

An unwritten non-fraternization law concerning bus drivers and grammar school passengers dictates that there shall be no friendly exchanges of greetings or names between bus drivers and passengers, else the kids will run the drivers ragged. Psychology of discipline as used in the armed forces between officers and men is found to be most effective here.

One driver played a dirty trick on Bruce McCallum. He told the kids on Bruce's bus that Bruce was called "Stinky" by all the bus drivers. Now Bruce is greeted every time he boards his bus with "Hi ya, 'Stinky.'"

If Bruce hasn't found out who pulled the "fast one" on him yet, this column is not going to be responsible in any way for an armed assault with intent to do bodily harm.

Frank Armbruster was standing in the hall nonchalantly flipping a four-bit piece against the wall when the darn thing disappeared without a sound. Frank stood around with his mouth open and palm outstretched for a while, waiting for it to come down. After a few minutes he decided that it wasn't going to, so he went to the office and brought back Margaret Trigeiro with a master key to the hall lockers. They looked in one and there it was down among some books. Which just goes to show that just because something goes up doesn't mean that it has to come down.

Most of the veterans had a full crop of hair by the time the war was over. Ours didn't!

Fellas! Put me down! I just had a haircut, I tell you!

College Students Hold Down Jobs

At present 27 students are working half days in offices and spending the other half in school under the co-operative office program, open primarily to sophomore business students.

Under the supervision of Mrs. Anne Harper this program, also known as Business 81, has proved quite popular with students and employers this semester. In this co-operative program, a student works a minimum of three hours a day with pay and receives six units of credit. The student's grade is based on a progress report made by his employer at the end of the semester.

Various types of offices are represented, with two attorneys, two insurance and real estate offices, one department store, one office of a hardware company, one hospital office, 10 school offices, public library, one professional organization office, a bank, a county office, and a local business office of a statewide trucking concern participating.

Students representing Salinas, Gilroy, Soquel, and Watsonville are participating this semester. From Salinas: Betty McCoy, Anne Shiratsuki, Florence Serpa, Patsy Lisue, Fannie Hernandez, Mary Louise Blair, Ann G. Elkington, Norma Jansen, Mary Helen Valdez, Naida Fisher, Mary Slattery, Don Feliz, Virgil Waller and Francine Stock. Gilroy's contribution: Pat Nagle, Edna Kato and Lois Lake.

Vivian Amaya comes from Soquel while those claiming Watsonville for their hometown are Joyce Paxton, Peggy Craig, Stella Jagich, Mary Young, Frances Matulich, Karen Hansen, June Hiura, Lois Churchill, and Dolores Wiest.

Roosevelt School, Lincoln School, Monterey County Purchasing Department, Sherwood School, Santa Lucia School, district superintendent's office, Alisal schools; Sisti Segretti, attorney, Rianda Brokerage Co. of Salinas, Sears, James Walker, attorney, Park Lane Hospital, Monterey County bank,

CAMPUS CLOTHES

By ROBIN LOWRY

Brightening up the Hartnell halls these days are the girls in their fall outfits. The trend seems to be towards short cashmere sweaters and pleated skirts. BETTY PARKS looks striking in her grey accordion pleated skirt combined with a purple long sleeved sweater. To top it all off, Betty wears a pert silk scarf around her neck.

Among the smart looking coeds, JACQUE GAUDIN wears a fashionable looking white sweater set with a red plaid skirt.

On the top of the list of sweater girls is FRANCES POLLITT who wears a different colored sweater every day.

Very often girls are walking down the halls knitting to their hearts' content, unaware of anything going on around them. Yes, and you will find them knitting anything. FRANCES JOHNSTON knits all of her own sweaters plus TOMMY MILLER'S beautiful argyle socks. JERRY BLAIR also knits her sweaters along with gloves, socks and anything one might imagine that would develop from two knitting needles and several balls of yarn.

Brown really becomes NORMA BROWN when she wears her brown sweater and brown plaid skirt, while Pat Pollock looks very attractive in her black jersey blouse and black and yellow pleated skirt.

They will wear all kinds of shoes, too. The new elfin type of shoes is popular with the girls on the campus. DONALDINE MERRILL and STELLA JAGICH look quite comfy in theirs. They are nice to have, as they will even serve as house slippers.

ALICE SPAGOPOULOS always looks sharp, especially in her grey dirndl skirt topped off with a grey sweater. To make a contrast, Alice wears a green scarf around her neck and a green belt on the skirt.

The girls' purses are almost as bad as the Gamma Nu pledges' lunch pails. They are as big as a suitcase. After all, look what they have to carry in them: knitting, bobbie pins, gum, cigarettes, keys, four or five lipsticks, compact, huge comb, a few papers here and there, their glasses, wallet, coin purse (but never any money) and a few books might be squeezed in somewhere.

Of course, we can't leave the fellows out. Khakis are definitely "it" in the masculine world, topped off with loud shirts. We can give the Hawaiians the credit for the shirts. The fellows still wear saddle shoes, too. DAVE MCCHESENEY'S always look nice and clean, while DEWEY CHAMBERS' are always dirty. Some fellows have even started wearing suede shoes.

Clark Brothers Trucking Co., City Library, Salinas; Salinas Evening School office, August Piedmont Real Estate office in Gilroy, Salinas board of education office, El Sausal Junior High School, Hartnell A. and M., Freimuth Hardware Company in Watsonville, and the Central Section C.T.A. are participating in this program.

'TRINE' STOP ME

By PHIL TRINE

Hartnell students are apparently of a sadistic nature. Recently an assignment to tell a short story in one of the speech classes was fulfilled by a wide assortment of blood-curdling tales. Husbands were chopping off their wives' heads, cutting out cats' eyes, and poisoning their mates. In one yarn, "red death," a mysterious malady, was killing off people by the hundreds. The class might appropriately bear the title, "Inner Sanctum." PAT ELDRIDGE amazed listeners with her rendition of Edgar Allan Poe's "Black Cat." ROY TAYLOR told of one of his buddies who was always committing perfect crimes.

Oh, well, they say students are here to learn. Whether an accomplished criminal is considered a profession is food for thought. Perhaps Hartnell would find it profitable to set up a new major, "The Artistry of Murder" or "Throw the Body in the Ice-Box." But then again maybe it wouldn't be such a good idea—several people might lose their heads. Joke—paid applause.

"Does your coffee taste different lately?" If it does, don't blame the cafeteria staff. Several culprits have displayed their ingenuity in stopping up the lids of the sugar containers. We won't mention any names but we spied a girl with the initials GLORIA SCROGGS tampering with the tops. She got the bright idea of pouring salt on a napkin and placing it between the sugar and the top. And I daresay she isn't the lone offender in this diabolical plot. So if you find your coffee with a slightly new tang take a gander at the sugar bowl.

MR. JAMES WILSON, Hartnell physiology instructor, received a new answer to one of his anatomy questions recently. PETE SMITH mulled over the question, "Name five freely moving joints in the human body." Pete had no trouble giving four but the fifth had him stumped. Finally after several minutes of mental deliberation Mr. Smith wrote "THE SHALIMAR."

The weekly jukebox income is not up to what was expected. Perhaps a selection of more appropriate music would boom the financial statement. How can they expect to make money if they don't have Hank Williams' "Lovesick Blues" available. Williams really has a unique singing technique. His voice is a pleasant cross between a wailing coyote and one of the mules in "Mule Train." It's impossible to describe his classical approach to his most famous song, "Lovesick Blues," just lend thine ear and listen.

Library Secures Old History Set

Mr. Darwin Peavy's father has donated to the Hartnell library an old and invaluable set of McMaster edition history books that have been out of print for a great many years. As this set has been out of print for such a long time, it is undoubtedly another addition to the library's collection of valuable books. Mr. Peavy's father was formerly president of Oregon State.

Miss Luella Wiens, librarian, has announced that there will now be three shelves of the magazine rack devoted entirely to a preview of new books. Since the first of September there have been innumerable new reference books added to the library that surpass the older editions in current information.

Also, this year will see many new magazines on the racks and in reserve if any person desires their use. Many of these magazines have been requested by students in the past and the librarian has subscribed to them.

Some of the new magazines are: Physics Today, Flying, Facts on

Ski Clubs Makes Plans for Trip

Hartnell Ski Club had its first outing of the year when the members went ice skating at the San Francisco ice rink last Saturday. Plans for a three-day ski trip to Yosemite and Badger Pass are almost completed.

No accidents were reported due to skating and the members had an enjoyable time, Don Mignola, Ski Club president, said. Five cars and more than 20 members left from in front of Hartnell College Saturday morning.

The Ski Club is still open for membership, which means that people interested in going to Yosemite on December 27, 28, and 29 with the club may do so, Mignola reported. Membership dues are \$2.

Eleven cabins have been ordered for the trip and the members plan to do their own cooking to save time and money.

Another activity planned for the trip is ice skating. "We plan to do some ice skating in the evenings if it is cold enough," President Mignola said.

Mike Hughes, former ski instructor and Hartnell alumnus, was a featured speaker at a Ski Club meeting Thursday noon. He talked on many topics concerning skiing, including where to ski, different methods of skiing, necessary equipment, and how to wax skis.

Main reason for the meeting was to get members to sign up for the trip. Members who have not done so may still sign on the bulletin board list.

DEFICIENCY NOTES

Deficiency notices, marking the end of the second six weeks of the semester, will be mailed next Thursday, Mr. Jerry Girdner announced today.

Dramatists To Offer 'Everyman'

On the nights of December 14, 15, 16, and 17 the Hartnell College drama department will present the oldest of the morality plays, "Everyman." Under the direction of Mr. Hal H. Ulrici, it will be given in the Little Theater.

"Everyman" is a story with abstract characters and is one of the finest plays of religious content written. It is the story of Everyman, played by Richard Cimino, who is summoned by Death to make a general reckoning to the high god, Adonai, for his life on earth. Everyman, a typical human being, is not ready to make such an account and pleads for a delay in the proceedings.

He then hastily turns to his factors of personality to give him assistance and to go with him to find his day of reckoning. Their respective reactions to his pleas and the climactic scene in which Every-

Cassady Concludes Presidential Term

Mr. Henry Cassady, president of the Northern California Junior College Association, will preside over the fall meeting of the group when it meets tomorrow at Berkeley. As his term of office will expire at that time, it will be his last meeting as president of that organization.

Dr. Luella Hall, dean of Hartnell's general college, will speak during the general session on the subject, "What Is the General College?" Mr. Leon Amyx will serve as a member of the nominating committee, and Mr. Clifford Swanson will be a member of the salary committee.

man goes through penance are of great beauty and tremendous emotional depth. Death makes his final return and Everyman goes into the "depths" prepared to make his final account.

Harts Meet Cage Giants In Local Gym Tonight

Tonight in the Hartnell gym at 8 o'clock the Panthers take on the Giants of the College of the Sequoias. This will be the first game of the season for the Giants who are described as the best team in the school's history by their publicity director. The Giants have won 46 straight league victories on the basketball court and they plan to extend that string this season.

Coach "Polly" Wilhelmsen's blue-clad Giants will line up with Monte Gonzales, Jerry Fredericks, at forwards, Bob Forster at center, and Bill Dunning and LeRoy Mims at guards. Gonzales, though only feet 10 inches, was an all-city forward in Los Angeles for two seasons. He is one of the fastest men on the team. In Bill Dunning and LeRoy Mims, Coach Wilhelmsen has a pair of all-conference guards

that are the backbone of the team's offense. Forward Jerry Fredericks was all-Santa Clara Valley for three years during his high school days. He averaged 18 points per game for three years. Center Bob Forster is the largest boy in the starting lineup. He is 6 feet 4 inches tall and was an outstanding prep basketball player at Lincoln High of San Jose last season.

Coach Wilhelmsen has no lack of reserves on this squad. Joe Rudi, all-conference last season, has been relegated to the role of reserve guard this season. He will ride the bench along with the talented Wally Pounds and Don Whalen. Pounds is the brother of U.C.L.A.'s great Bobby Pounds who played a few years back. Whalen was first string center on the Santa Clara Frosh last season. Whalen also played on the Nevada state championship team in his prep days. He was elected the most valuable on the team.

Hartnell's hopes will hinge upon the return of Wally Wong and Don Keeney. Both of these starters were out of both contests last week end and the Panthers showed the loss considerably. Wong is a guard, and Keeney is a forward. Coach Adams is not sure of his starting lineup, but these boys will all see action: Fred Willson, Herb Withers, Ed Macha, Johnny Wong, Bill Conlan, and the afore-mentioned Wong and Keeney.

The Giants from Visalia are noted for their terrifically fast style of play.

On Saturday night the Panthers will meet the Reedley College five at Monterey.

Injury Riddled Panthers Lose Season Finale

As a result of many injuries and a consequent lack of depth, the Hartnell Panthers suffered a decisive defeat at the hands of the M.P.C. Lobos last Thanksgiving Day. Although the Panthers were rated as a pregame underdog all the fans were stunned with the score of 34-0.

In the first half Hartnell played completely airtight ball except for two plays; one a long pass and the other a delayed buck over center. Both of these plays scored and were within a few minutes of each other. It was generally conceded, though, that Hartnell's defensive line out-charged the Lobos and as a result M.P.C. runners such as Dick Narvaez and Al Matthews were held to very small gains.

In the third quarter Hartnell quickly lost any chances of closing the gap when a few minutes after the kickoff Matthews again crossed the goal line for another six points.

As was predetermined the Lobos' running attack was built around the speed of Matthews, who scored three times in the game. The Panthers' passing attack was held down to a few gains as Bob Swan, ace passer, was riding the bench with a chipped backbone.

Bill Walker was the most consistent ground gainer for Hartnell although he had both knees tightly bound with yards of tape. It was the best Bill has performed since the Bakersfield game in which he was the best back on the field by far.

Although the Panthers lost de-

PANTHERS LOSE OPENING PAIR Cagers Drop Chinese Contest Friday, 37-36

Hartnell lost the season opener in basketball last Friday night to the San Francisco Chinese, 37-36. This game was played with the Panthers revealing little, if any, championship form, even though it was the opening game.

Even though the Hartnell team outsized them by several inches, the fast and clever Chinese actually outjumped the Panthers on several occasions. Don Keeney and Wally Wong, veterans of last year's team, did not dress for the game.

With nine minutes left in the game the Chinese held a 34-25 lead. At that point Coach Ed Adams returned his first string consisting of Ed Macha, Herb Withers, Bill Conlan, Johnny Wong, and Fred Willson to the fray. Seven minutes later Hartnell went ahead 36-35, but only held this lead for about 30 seconds.

Charles Lum then sank a field goal for the visitors for the 37-36 game-ending score. Lum led the visitors in scoring with 10 points, with Charles and Gene Wong following with 7 and 5 points respectively. Hartnell high-pointers were Herb Withers with 16, and Willson and Macha both scoring 7 each.

cisively, they once again showed that "never-say-die" spirit and it was a real battle all the way.

Coach Ab Wilson has stated that most of the team will return next year.

USF Frosh Win From Panthers In Rough Tilt

Hartnell dropped their second game in as many starts last Saturday night, 52-34. They came up against a well-coached U.S.F. Frosh team. The Panthers started off with a bang with Fred Willson scoring the home team's first eight points while the visitors tallied four.

After this first dash, Willson gradually weakened as the result of a recent illness and had to be relieved by a teammate. The Hartnell team showed a good deal of improvement over the first half of the Chinese game. Again, though, the encounter was a repetition of the Chinese game.

Although Hartnell led at half-time, 21-20, they gradually slid behind during the second half with Ted Richter of the "Hill Toppers" scoring 11 of his 15 points during this half. Keith Walker, the other forward, scored 7 of his 13 points in the second half also. The "Hill Toppers" were paced by their 6 foot 6 inch center, Dick Bowerman, who scored 8 points.

This was the second game and neither Don Keeney nor Wally Wong made an appearance. Don had a bad cold, while Wally is still recuperating from the football game against M.P.C. last week.

The Panthers again showed their weakness at recoveries of backboard rebounds or at the toss-ups by allowing themselves to be out-jumped almost the entire game.

The Panthers were paced by Willson although he was on the bench almost all of the last part of the game. Withers and Macha were short of form in this encounter. Some boys that played some good ball also were Bill Conlan, Charles Volante, Glen Albaugh, and Roy Pellacio.

Willson led the Panthers with 8 points while Herb Withers and Ed Macha followed closely with 7 and 6 points respectively.

Whited and Key Elected Football Season Captains

Bill Whited and Bill Key were elected co-captains for the 1949 football season by members of the football squad Tuesday afternoon. Both Whited and Key were veterans of last season's fine team and they both have played excellent football for Hartnell this fall. Whited scored five times for the Panthers this season from his position at end and he was very valuable as a defensive player. Key was an outstanding tackle for the Panthers on both offense and defense.

Both men have completed their junior college football careers with their two years at Hartnell.
